RULES

1. Refer to General Rules, Livestock Health Rules & Regulations, Care Guidelines, Code of Show Ring Ethics, and Open Class Rules and Health Requirements.
2. An "Animal Owner or Caretaker's Verification of Veterinarian-Client-Patient Relationship" form and proper Certificate of Veterinary Inspection must accompany each exhibition animal and must be submitted to the Show supervisors upon arrival at the Fairgrounds and before any animals can be unloaded from trailers/trucks.
3. 4-H Club members must have passed their eighth birthday, but not have passed their nineteenth birthday, by January 1 of the current year. Exhibitor must be a 4-H member with a project in the field in which they wish to make entry and be under the supervision of Pennsylvania State University Cooperative Extension Service by July 1 preceding the Fair.
4. 4-H or FFA Member must be present and must have charge of his/her animal at the time of judging. FFA exhibitors must show proof of membership.
5. Leased Animals: per the "4-H Dairy and Livestock Breeding Animal Leasing Program Description and Rules" , PEN pages Number 095014, dated 4/93, from Penn State College of Agricultural Sciences:
 - A) 4-H members who own animals may not lease project animals of the same species.
 - B) A project plan must be signed and filed with the Extension Office in the County where the member is enrolled by May 1 of the project year. A written lease is not required. If the parent or sponsor requires a written lease, it must be submitted to the County Extension office for liability insurance approval before it is signed.
 - C) 4-H members leasing animals must exhibit

leased project animals in PA 4-H shows only. The 4-H member may not exhibit leased animals in an Open or Junior show that requires proof of ownership. (PA Farm Show, Keystone International Livestock Exposition, PA Junior Dairy Show and some PA county fairs are not 4-H shows - they are Junior Shows with their own rules and regulations; therefore, leased animals are not eligible to show at them.)
